There are no entry tickets this year, but we still need your help! Your check-in provides valuable visitor information that helps us secure funding and continue delivering free events like Oysterfest.

Welcome to the 2026 Ceduna Oysterfest

Proudly presented by the Ceduna Foreshore Hotel Motel and the District Council of Ceduna, welcome to the 2026 Ceduna Oysterfest — celebrating 36 years in the heart of the “Oyster Capital of Australia”.TM

Set along the beautiful Murat Bay foreshore, Oysterfest is a celebration of what makes our region special — fresh local seafood, live music, family fun and community spirit.

This year there's plenty to see and do! Enjoy live music from Gen X and a fantastic line-up of South Australian talent, look to the skies for the return of legendary aerobatic pilot Chris Sperou, catch Tim Raymond's roving magic, Bumbles the Clown, our much-loved competitions and, of course, the spectacular fireworks finale from the Ceduna Jetty.

Carnival World is back, with rides, games and attractions — and thanks to the generous support of our Carnival Partners, rides are just \$5, helping make the weekend affordable for families.

And it wouldn't be Oysterfest without the oysters! Enjoy the freshest local oysters alongside a great selection of food, regional wines, spirits and festival favourites throughout the weekend.

While you're here, take some time to explore Ceduna and the Far West Coast. Stay a little longer, discover our coastline, taste more of our incredible seafood and experience the culture, people and hospitality that make our region unique.

To our sponsors, volunteers, artists, oyster growers, stallholders, community groups and everyone working behind the scenes — thank you. Your support makes this much-loved community event possible.

We hope you have a fantastic weekend.

**Here's to shucking, sipping, riding, dancing and
celebrating at the 2026 Ceduna Oysterfest!**

Visit cedunaoysterfest.com.au in case of program changes.

Program subject to change

An impressionistic painting of a coastal scene. In the foreground, two people are swimming in turquoise water. One person is standing in the water, wearing a red and white swimsuit, while the other is sitting or floating, wearing a pink and white swimsuit. The water is rendered with vibrant, textured brushstrokes in shades of blue, green, and yellow. In the background, a large, dark rock formation looms over the water, with a small white building visible on a distant shore. The overall style is expressive and colorful, capturing a moment of leisure and relaxation.
