## Welcome to the 2025 Ceduna Oysterfest

Proudly presented by the Ceduna Foreshore Hotel Motel and the District Council of Ceduna

We are thrilled to welcome you to the 35th anniversary of the Ceduna Oysterfest – a milestone celebration in the heart of the “Oyster Capital of Australia<sup>TM</sup>”. This iconic event continues to honour our region's rich seafood heritage while bringing the community together for a weekend of music, food, fun and connection.

This year's program is brimming with entertainment, from a stellar lineup of local talent to headline performances lighting up the Main Stage on both Saturday and Sunday evenings.

While oysters remain the star of the show, your tastebuds are in for a treat with a mouth-watering variety of food vendors showcasing the best of our region – from fresh seafood like squid, prawns and fish to premium red meats, and delicious vegetarian options. Pair your meal with a local wine, craft spirit, or refreshing cocktail from one of our specialist suppliers.

We're also excited to welcome back the popular Community Family Zone, offering interactive games, activities and live entertainment – all completely FREE, thanks to the support of our generous sponsors. A weekend won't feel like enough – so why not stay a little longer? Take the time to explore Ceduna's stunning coastline, rich cultural heritage, and warm hospitality.

A heartfelt thank you to our sponsors, volunteers, artists, and community members who make this festival possible each year. We hope you enjoy everything the 2025 Ceduna Oysterfest has to offer – here's to 35 years of celebration, and many more to come!

An impressionistic painting of a coastal scene. In the foreground, two people are swimming in turquoise water. One person, wearing a red and white swimsuit, is on the left, and another person, wearing a pink and white swimsuit, is on the right. The water is rendered with thick, expressive brushstrokes in various shades of blue, green, and yellow. In the background, a large, dark rock formation dominates the upper half of the frame. The sky is a mix of blue and purple hues. The overall style is painterly and vibrant.
